

If you are going to build a fence, take our advice and make it a LION FENCE and you'll have a Fence that will stand up for time to come. The KNOT of the Page LION Fence is an exclusive feature and is one of the reasons WHY LION Fences are still young after others are worn out. The LION KNOT will not slip-will not break and holds the wires in the proper position indefinitely. Write us to send you descriptive matter on LION Corral Fencing, LION Combination Poultry and Stock Fencing, etc.
